

## IBC honours engineer

International Biographical Centre, Cambridge, England, has honoured Abdul Razzak Rumane with "International Order of Merit" for his services in the field of Electrical Engineering.

American Biographical Institute (USA) have bestowed upon him the dignified position of "World Laureate of the ABI", which is worthy of International Distinction and appointed him to the honorary position of Continental Governor of American Biographical Institute Research Association, which means he will join a distinguished circle of intellectual, benevolent and creative people that will be recognised internationally as member of International Governors Club of ABI.

Abdul Razzaq Rumane is working with one of the reputed International Consultant in Kuwait. He has already been listed in the Marquis Who's Who in Science and Engineering and Who's Who in the World, an American Publication, which compiles the biographies of only those individuals who have demonstrated outstanding achievements in their own field of endeavour. Further more American Biographical Institute USA have selected his career achievement for permanent documentation in their book "Five Hundred Leaders of Influence". Which shall be kept on permanent record at US Library of Congress, Washington, and have given him World Life Time Achievement Award.
