

International Biographical Center, Cambridge, England, has honoured Abdul Razzak Rumane (above) with 'International Order of Merit' for his services in the field of Electrical Engineering. The Director General and Board of International Biographical Center, has appointed Engr Rumane as Deputy Director General Of IBC for Asia, which will enable him to recommend colleagues and friends for inclusion in reference titles published by IBC, and nominate professional or business colleagues to receive the Fellowship of either International Biographical Association or the World Literary Academy.

Abdul Razzak Rumane is working with a reputed international consultant in Kuwait. He has already been listed in Marquis Who's Who in Science and Engineering. American Biographical Institute USA has also selected his career achievement for permanent documentation in their book "Five Hundred Leaders of Influence," which will be kept on permanent record at US Library of Congress, Washington and have given him World Lifetime Achievement Award.

School auditorium, Abbasiya.

As a part of the celebrations, we are conducting a competition in drawing and painting for school children of all Indian schools in Kuwait and adults, to commemorate the famous Malayalam film director the great late Bharatan.
