What's On

The Institution of Engineers (India) Kuwait Chapter celebrated 35th Engineers' Day at Crowne Plaza.

The Ambassador of India, Swashpawan Singh inaugurated the celebration by lighting the lamp. P Sundararajan, Chairman, IEI Kuwait Chapter welcomed all the guests and members. The Ambassador of India, in his inaugural speech explained about M. Visvesvaraya in whose memory Engineers' Day is observed. He elaborated on the theme of Engineers' Day by highlighting the important role played by Indian Small Scale Industries in the field of employment generation and exports. He explained the availability of great investment potential in Indian Small Scale Industries sector. He also informed Kuwaiti and other participants about various opportunities offered by SSI sector for investment in India and requested them to avail the same. Dr Hasan Al-Sanad released the souvenir on this occasion and in his speech he described his nice experience of his visit to AICTE, IEI Headquarters, Anna University and other places. He stated that he was very much impressed about Indian Education System. Jose Murickan the keynote speaker on theme "Indian Small Scale Industries in Globalisation Scenario" highlighted all the areas of SSI sector. Their role in employment generation, export and what are the necessary measures required to protect Indian industry under the flow of cheap material.
