## IEI marks Family Day

THE Institution of Engineers (India) Kuwait Chapter celebrated Family Day 2005 at Hilton Kuwait Resort. It was full of fun and enjoyment for entire family members. The program started with welcome speech by Chairman Dr Rumane Abdul Razzak. Large number of families and children participated in the program. IEI ladies wing was inaugurated by lighting the lamp by ladies wing members. Science club children exhibited their paintings, charts, models and ladies wing members exhibited creative works. Different type of games were arranged for all the members of different age groups. The day was full of entertainment and all the members enjoyed the musical program which was presented by professional group.
