ARAB TIMES, THURSDAY, MARCH 9, 2006

On behalf of The Institution of Engineers India, Kuwait Chapter, the Executive Committee met His Excellency Shri M. Ganapathi to welcome him for assuming the office of the Ambassador of India to Kuwait and the Patron of IEI, Kuwait Chapter.

The Ambassador was appraised about various activities being performed by IEI, Kuwait Chapter and also informed him about various types of problems faced by Indian Engineers working in Kuwait to obtain the approval and recognition of

their degrees. Chairman Dr Rumane Abdul Razzak thanked the Embassy of India and their officials for their support and co-operation to resolve these problems and interact with various Government agencies/authorities and also their support to conduct AMIE examination. Members of the committee also expressed their views on various topics. The Ambassador asked IEI to address the problems and promised his support to take up these matters to the concerned authorities.
