### Rumane honoured in Spain

European Academy of Informatisation, a non-profit international institution registered in Belgium by a royal decree, honoured Engr Abdul Razzak Rumane with The World Order of Science-Education-Culture" at the recently held International Conference at Grand Amphitheatre, Madrid College of Doctors at Madrid, Spain. It was organised by Albert Schweitzer International University, London Diplomatic Academy and European

Academy of Informatisation. The conference was attended by high academics around the world. Prof Dr Alfonso Roldan More', President, London Diplomatic Academy, presented the medal to Rumane and appointed with a title of Cavalier. This order is given by invitation only to the prominent scholars, public figures and members of business community to scientific, education and cultural activity.
