DR RUMANE'S BOOK LAUNCHED IN INDIA

Quality Management in Construction Projects published by CRC Press, Florida and authored by Dr Abdul Razzak Rumane employed with SSH International Engineering Consultants, Kuwait, was launched in India under the patronage of Honorable Minister of Parliamentary Affairs Shri Pawan Kumar Bansal during Global Friendship Day held at Le Meridien in New Delhi in presence of Dr Bishma Narain Singh, former union minister and governor of Assam, Tamil Nadu, Andaman and Nicobar Islands, Honorable Baroness Sandeep Verma, Member of UK Parliament (minister in

waiting. govt of UK), Shri Gurmeet Singh, General Secretary of India International Friendship Society, Rohit Kochar, Chairman and MD Kochar & Co and many prominent NRIs and dignitaries from India. The function was also graced by Sardar Joginder Singh, former CBI Director and Dr Ruby Dhallia, Member of Parliament, Canada.

The book is concise and easy to read, presents key information on how to approach quality assurance for construction projects. The book contains quick reference tables and a wealth of figures and presents valuable quality related data and guide-

lines, with coverage that spans from the inception of a project through to issuance of a completion certificate. Although there are many books on construction projects, this book stands head and shoulders above all the other books. The book provides sufficient information that will also prove valuable for cutting-edge instructors who wish to provide engineering/management student with an in-depth knowledge about current practices and familiarize them with the vernacular used in discussing quality assurance practices within the construction industry.
